Re: Czech Heritage Preservation Society Inc. Grant Transfer

The Czech Heritage Preservation Society Inc. was awarded a grant of \$10,000.00 in round two of 2026 for the restoration of the Log School. The Society decided to complete the school building in preparation for the 250th celebration and Czech Days in the town of Tabor.

The Society would like to request the transfer of the grant to restore their Log Pioneer Home "Chalupa" which is also located in this park. Historic information is attached with their request. Roofing costs are estimated at \$15,817.93 and chinking of the logs is estimated at \$15,000 with another \$1,000 for other repairs for a total expense of \$31,817.93.

The Projects Committee reviewed this request and recommends approval.

Recommended Motion:

Move to transfer the grant issued to Czech Heritage Preservation Society Inc. for the Log School Restoration to the Log House for Restoration in the approved grant amount of \$10,000.00.
