

Case No. 210166
Address: 830 Main St.

Staff Report

The applicant has submitted an application for Project Approval for work at 830 Main St., a contributing structure located in the Upper Main Planning Unit in the City of Deadwood.

Applicant: Doug & Misty Asermely
Owner: ASERMELY, DOUGLAS E
Constructed: 1905

CRITERIA FOR THE ISSUANCE OF A PROJECT APPROVAL

The Historic Preservation Commission shall use the following criteria in granting or denying the Project Approval:

General Factors:

1. Historic significance of the resource:

The building is a contributing resource in the Deadwood National Historic Landmark District. It is significant for its historic association with the founding and initial period of growth of the town of Deadwood. Spurred by the tremendous mining boom of 1876, Deadwood grew quickly and became the first major urban center of western South Dakota. Deadwood's economic prominence during the late 1800s and early 1900s was reflected by the construction of a number of large residences such as this one. These houses displayed a variety of architectural styles: Queen Anne, Second Empire, Colonial, and even Gothic variants are found locally. Together, these houses are among the strongest reminders of Deadwood's nineteenth-century boom.

2. Architectural design of the resource and proposed alterations:

The applicant is requesting permission to construct an addition onto the rear left (south) side of the structure in an effort to remodel the kitchen and bathroom. The addition will extend three feet out from the original structure. The siding on the addition will be LP Smartside, with a new metal soffit and fascia, new gutters and down spouts with new shingles to match the existing roof. The windows will match in style and color of the existing windows on the resource.
