To: Honorable Mayor and Commissioners
From: Deadwood Volunteer Fire Department
Reference: Personal Protective Equipment (PPE)

The Fire Department is requesting Personal Protective Equipment (PPE), currently we are requesting permission to order seven (7) sets of gear at an estimated cost of \$3300.00-\$3500.00 per set or \$24,500.00(estimated) total. I grant from the State of South Dakota in the amount of \$14,400.00 will pay for a large portion of the gear. The remaining cost, \$10,100.00, will come from the Fire Department budget and this is a budgeted item for the year 2024. Ordering these seven sets of gear should enable us to get the equipment sometime in May 2024.

Recent additions to the membership require that we add more gear to outfit the new members of the Department.

Thank you for your time and consideration.

Regards

Alex L. Hamann
Deadwood Volunteer Fire Chief
