#### Sales tax / Use Tax

State law requires Purple Wave to collect sales tax on all applicable transactions. Sales tax rates are based on the item's location and are applied to the total purchase price (hammer price plus the Buyer's Premium). Tax will be collected unless the buyer provides proof of a tax exemption, which must be submitted before tax amounts will be removed from the invoice. Exemption forms are auction and state specific and may need to be completed for every event. Purple Wave cannot offer

advice, opinions or guarantees about whether you are in fact exempt. Buyers may be subject to use tax in their state of residence. Consult your tax advisors if you have sales tax exemption or use tax questions. Purple Wave, Inc. cannot be held responsible for states' registration requirements regarding exemptions. Please note, guidelines and regulations regarding tax exemptions may vary between states. If you are eligible for an exemption, please complete the appropriate exemption certificate and email it to [auction@purplewave.com](mailto:auction@purplewave.com) or fax to 866.604.2264.

#### Full Sales Tax / Use Tax information

##### **Buyer's premium**

A 10% buyer's premium will be added to all winning bids, resulting in the total purchase price, exclusive of any applicable sales taxes, owed by the winning bidder. The buyer's premium will be included in the price against which applicable sales taxes are calculated.

##### **Inspection prior to bidding**

Purple Wave attempts to give its customers an industry leading experience by providing detailed equipment listings. Listings include written descriptions, photographs, location, and consignor information. Equipment descriptions are based on our direct observation and information provided by our selling customer. All information is intended to be as accurate as possible. However, we recommend customers inspect prior to bidding. Purple Wave listings are not intended to be substitutions for inspection. The details provided may differ on equipment based on information provided by the consignor. An error or omission in the listing will not change the results of the bid. **It is the responsibility of the buyer to conduct any inspection and examination necessary to satisfy him of all material facts before placing a bid.** Some of the limitations of Purple Wave listings include:

- Mileage and hours in listings are representations of what is on the meter. Purple Wave does not verify authenticity of mileage / hours nor do we verify the operational condition of the odometer / hours meter.
- Emissions systems may have modifications. Purple Wave does not inspect components or guarantee a vehicle will pass state emissions tests.
- Operating weight appearing in some listings are manufacturers specs. Weight may vary due to additional features and options.
- Accessories (interior / exterior, ancillary) may be listed in the description, however, may not be verified for operational condition such as A/C and heat, audio equipment, lighting, power seats, etc.
- Cosmetic damage / body damage, such as dents, cracks, scratches, rust, stains, and tears may not be included in the descriptions, however may exist.

##### **Item removal requirement**

Items can be removed after your payment in full is made to Purple Wave. Purple Wave will communicate directly with the seller to confirm receipt of payment. Winning bidders must contact the seller to schedule removal and bring a copy of their paid invoice in order to remove item(s). Unless other removal arrangements are made with the seller, fees for failing to timely remove items won may be assessed under the Abandoned Asset Policy.
