Case No. 220154  
Address: 108 Denver

### **Staff Report**

The applicant has submitted an application for Project Approval for work at 108 Denver Ave., a noncontributing structure located in the City Creek Planning Unit in the City of Deadwood.

Applicant: Amber Gudaites  
Owner: HORN, JAMES A & DEANNA L  
Constructed: c 1950

### **CRITERIA FOR THE ISSUANCE OF A PROJECT APPROVAL**

**The Historic Preservation Commission shall use the following criteria in granting or denying the Project Approval:**

#### **General Factors:**

##### **1. Historic significance of the resource:**

The original portion of this house appears to date from approximately 1950, and there has been a significant addition constructed within the last 15 years. Therefore, because the house is less than 50 years old, it cannot currently contribute to the Deadwood National Historic Landmark District.

##### **2. Architectural design of the resource and proposed alterations:**

The applicant is requesting permission to replace all windows in the house and they will be all the same size as existing windows.

**Attachments: no**

**Plans: no**

**Photos: yes**

#### **Staff Opinion:**

The proposed work and changes do not encroach upon, damage or destroy a historic resource or have an adverse effect on the character of the building or the historic character of the State and National Register Historic Districts or the Deadwood National Historic Landmark District.

**Motions available for commission action:**

**A: If you, as a commissioner, have determined the Project DOES NOT Encroach Upon, Damage or Destroy a historic property then:**

Based upon all the evidence presented, I find that this project **DOES NOT** encroach upon, damage, or destroy any historic property included in the national register of historic places or the state register of historic places, and therefore move to grant a project approval.
