Re: Recommendation Approve Fee Resolution for Parking Permits

At the June 3, 2024 Deadwood City Commission Meeting, the Commission voted to terminate a parking lease agreement with the Iron Horse Inn. This came as a recommendation from the Parking and Transportation Committee. As an alternative the Committee offered the use of validation permits for side-street parking. I have since learned we did not have that option in the City's fee resolution. My recommendation is the creation of a \$5.00 overnight validation parking permit.

Also, as part of the City's recent Parking Management Plan, there was a recommendation from the consultants to reduce the Employee Parking Permit fee to \$25.00 per month. I recommend adopting this resolution to provide a more affordable alternative for the City's workforce.

Thank you for your consideration to this matter.
