The applicant has submitted an application for Project Approval for work at 81 Charles St., a Noncontributing structure located in the Cleveland Planning Unit in the City of Deadwood.

Applicant: Patricia Stephenson

CRITERIA FOR THE ISSUANCE OF A PROJECT APPROVAL

The Historic Preservation Commission shall use the following criteria in granting or denying the Project Approval:

General Factors:

1. Historic significance of the resource:

This house is less than 50 years old, it cannot contribute to the Deadwood National Historic Landmark District at this time.

2. Architectural design of the resource and proposed alterations:

The applicant is requesting permission to replace a bedroom window (on the back of building) with a larger egress window. The new one is the same style as the current one, only larger, to meet the requirements of the State and City for short-term rentals. It's a slider type, with one side stationary and the other one able to slide open and closed.
