To: Honorable Mayor and Commissioners

From: Deadwood Volunteer Fire Department

Reference: Repair of Tender 9

The Fire Department needs to repair Tender 9. More specifically rebuilding of a pump and repair the seals and packing on the Truck. They are currently leaking, and this has been going on for some time and needs repair. The current quote for this repair from MacQueen Equipment in Rapid City is \$2626.85. There would be additional costs if the vehicle was not taken to Rapid City for repairs. There maybe additional costs involved when the repairs begin, and they have access to the interior of the vehicle.

Attached is the estimate of the repair cost for your access.

Thank you for your time and consideration.

Regards

Alex L. Hamann
Deadwood Volunteer Fire Chief
