Jeramy: The hot tub in question, would be a 2023 or 2024 Hot Spot Rhythm. The pricing would be as follows: hot tub \$10,856.00, mileage \$700.00, and misc \$500.00, for a total of \$12,056.00. We did not talk about a coverlift (arms to take the cover on and off--that would be a additional \$450.00.). Delivery could be within two to three weeks as soon as they come if for me. There on there way shortly. Thanks
Bob
