

MEMORANDUM

Date: July 28, 2022
To: City Commission
From: Kevin Kuchenbecker, Historic Preservation Officer
Re: Victor Stanley Benches and Trash Receptacles

The Historic Preservation Commission has been working on the beautification of Historic Main Street and the National Historic Landmark District for several years updating and adding to the benches and trash receptacles throughout the district. Staff is recommending three additional 4-foot benches, three additional 6-foot benches, and four additional trash receptacles which match the existing benches and trash receptacles in addition to forty replacement slats to repair damaged benches at Outlaw Square. The additional benches and trash receptacles will ensure more visitors on Main Street and throughout the Deadwood Historic Landmark District will be accommodated.

Staff is requesting to purchase three 4-foot benches, three 6-foot benches, four trash receptacles, and forty replacement slats from Victor Stanley in an amount not to exceed \$24,585.62 including shipping to be paid out of the HP Capital Asset Benches line item.

The Historic Preservation Commission reviewed this request at the July 27, 2022 meeting and recommend to the City Commission to approve the purchase of three 4-foot benches, three 6-foot benches, four trash receptacles, and forty replacement slats from Victor Stanley in an amount not to exceed \$24,858.62 including shipping to be paid out of the HP Capital Assets Benches line item.

Recommended Motion: *Move to approve the purchase of three 4-foot benches, three 6-foot benches, four trash receptacles, and forty replacement slats from Victor Stanley in an amount not to exceed \$24,858.62 including shipping to be paid out of the HP Capital Assets Benches line item.*
