DESCRIPTION OF ACTIVITY

Describe in detail, the above activity (use attachments if necessary including type of materials to be used) and submit as applicable. Descriptive materials such as photos and drawings are necessary to illustrate the work and to help the commissioners and staff evaluate the proposed changes. Information should be supplied for each element of the proposed work along with general drawings and/or photographs as appropriate.

Failure to supply adequate documentation could result in delays in processing and denial of the request. Describe in detail below (add pages as necessary).

Replacing current porch floor/railing and raising one foot to bring closer to current door threshold.

Also adding a ten foot-nine inch extension to right side of porch to span the full front of the house.

Replacement porch frame would be made of pine, and porch floor would be replaced with cedar.

Additionally planning to replace stairs from street, adding a landing mid way up and second railing to cover both sides of stairway. Stair stringers, treads and railing would be pine to match current stair construction and pitch.
