The application was recommended for approval by the Deadwood Planning and Zoning Commission. FINDINGS OF FACT AND CONCLUSIONS

- Staff provided public notice identifying the applicant, describing the project and its location, and giving the scheduled date of the public hearing in accordance with Section 17.76.020. Notice was placed in the designated newspaper of the City of Deadwood, ten (10) days in advance of the hearing as required by Section 17.76.060.J
- An official sign was posted on the property for which the Conditional Use Permit was filed as required by Section 17.76.060.J
- Property owners within three hundred (300) feet of the boundaries of the subject land were notified by first class mail as required by Section 17.76.060.J.

- The subject property is located within a very low density land use classification on the adopted Land Use Map.
- The subject area is zoned R2 – Multi-Family District. The area near the subject property consists of a mixture of single family, multi-family dwellings and commercial businesses.
- The use, as proposed would not result in a substantial or undue adverse effect on adjacent property or the character of the neighborhood and the use would not alter the character of the area. The structure is not being enlarged or altered.
- The granting of the conditional use permit would not increase the proliferation of non-conforming uses. The use is expressly allowed in the R2 – Multi-Family District under certain conditions and the conditions were met.
- The use would not cause significant adverse impacts on water supply, fire protection, waste disposal, schools, traffic and circulation or other services. This type of use does not demand a high degree of services.
- Based on these findings, the Deadwood Planning and Zoning Commission recommended approval of the request for a conditional use permit for a Bed and Breakfast. The Deadwood Board of Adjustment approved the request as recommended by the Planning and Zoning Commission with the following conditions:

- 1. The Conditional Use Permit runs with the applicant and not the land; therefore, should the property be sold, the Conditional Use Permit is null and void.**
- 2. The Bed and Breakfast must be owner occupied.**
- 3. Proof of a state sales tax number shall be provided to the Planning and Zoning Office for their files.**
- 4. Proof that the Building Inspector has inspected the building and it meets all of the building codes.**
- 5. Proper paperwork is filed with the City of Deadwood Finance Office for BID taxes.**
- 6. Proof of City of Deadwood Business License.**
- 7. Obtain lodging license after inspection from the South Dakota Department of Health.**
- 8. All parking shall be off street.**
