We loved everything about The Yellow Door! It's the perfect little get away home, its super clean and spacious. It has everything you need and more. The house is in a nice quiet area, but close enough to walk to downtown Deadwood. Michael was a great host, gave clear easy instructions and responded at a reasonable time. 10/10, would stay again and I recommend!

Cute cozy house just outside of all the hustle and bustle but still close enough to walk. There was a trolley available but too nice not to walk. I received clear to-the-point instructions (some of them get to be a lot of reading so I appreciated that) the day of. Had no issues whatsoever!

We stayed here for a short weekend in Deadwood. It was the perfect location to not be on the historic Main Street, but a quick 3 minute drive down the street. Very easy to find and a perfect house for my husband & I traveling with my parents! Would definitely stay again.

This place was perfect for our St Paddy's weekend! Super close to the trolley stops, but still walkable to the Main Street if you choose not to take the trolley. And it was a great place for the price. Would definitely book again!

Michaels place is close enough to walk downtown if that's what you have planned, there are also trolleys that stop pretty close by. The place is cozy quite and has good views.
