## ***MEMORANDUM***

---

**Date:** May 1, 2025  
**To:** Deadwood City Commission  
**From:** Jeramy Russell – Recreation & Aquatic Center Manager  
**Re:** Request for Approval – Purchase of Elliptical Machines

---

The Deadwood Recreation and Aquatic Center respectfully requests your approval to purchase four Spirit XE795 elliptical machines as part of the planned equipment upgrades outlined in our 2025 budget.

Currently, we have only one commercial-grade elliptical, which is over 10 years old and still fully operational. However, having just one machine often creates wait times for members, especially during peak hours. Ellipticals are a popular low-impact cardio option, and adding new units will not only enhance the experience for our current members but may also help attract new ones.

The total cost for four Spirit XE795 ellipticals is \$10,100.00, as detailed in the attached Play It Again Sports quote (04162025-1). Each unit includes a manufacturer's warranty covering the frame for life, motor for 5 years, parts for 3 years, and labor for 1 year—ensuring long-term value and reliable performance.

This investment supports our strategic goal to maintain high-quality fitness offerings and ensure the continued growth and success of our programs.

We appreciate your consideration of this request and are happy to provide any additional information you may need.

Thank you.
