Insurance and Liability

Overview:

When city facilities are used by the general public for special events which pose a high risk of injury (e.g. outdoor recreational activities or athletic events), a signed Waiver of Liability, Indemnification, and Medical Release should be required of each participant.

The waiver form should not be significantly modified. It has been written to comply with a 1994 Supreme Court decision, which stated:

- Pre-injury releases are much more likely to be deemed valid and enforceable when they are written on a separate document--that is, not imbedded in an application, rental agreement or sign-up sheet;
- Unless the intention of the parties is expressed in unmistakable language, an exculpatory clause will not be deemed to insulate a party from liability for his own negligent acts...what the law demands is that such provisions be clear and coherent; and
- The more inherently dangerous or risky the recreational activity, the more likely that an anticipatory release will be held valid.

The form can and should be modified to specifically identify the activity involved. In the case of a particularly dangerous activity, the level of risk involved should also be stated. For example, it may not be sufficient to name the activity "motorcycle stunts." The release form should specify the level of difficulty of the stunts.

NOTE:

*High risk activities warrant the use of either a Facilities Use Agreement which requires the user to carry liability coverage, or participant liability waivers, or both. The process of determining when to require insurance of the user and/or when to require signed waivers of participants can be a difficult one. Unfortunately, with the wide variety of activities, events and facilities across City government, there is no way to establish a standard policy to specifically address all cases. **Please contact the City of Deadwood's Safety Director for guidance at 605-578-2082.***

Facilities Use Agreement Indemnification and Insurance Clause

User agrees to indemnify and hold the City, and its officers, agents and employees harmless from any and all liability, damages, actions, claims, demands, expenses, judgments, fees and costs of whatever kind or character, arising from, by reason of, or in connection with the use of the facilities described herein. It is the intention of the parties that the City, and its officers, agents and employees shall not be liable or in any way responsible for injury, damage, liability, loss or expense resulting to the user and those it brings onto the premises due to accidents, mishaps, misconduct, negligence or injuries, either in person or property.

User expressly assumes full responsibility for any and all damages or injuries which may result to any person or property by reason of or in connection with the use of the facilities pursuant to this agreement and agrees to pay the City for all damages caused to the facilities resulting from user's activities hereunder.

User represents that its activities, pursuant to this agreement, will be supervised by adequately trained personnel, and that user will observe, and cause the participants in the activity to observe, all safety rules for the facility and the activity. User acknowledges that the City has no duty to and will not provide supervision of the activity.

User shall maintain occurrence based commercial general liability insurance or equivalent form with a limit of not less than one million dollars (\$1,000,000) for each occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two times the occurrence limit. Five days prior to commencement of this Agreement, User shall furnish the City with properly executed Certificates of Insurance which shall clearly evidence all insurance required in this Agreement and provide that such insurance shall not be canceled, except on 30 days' prior written notice to the City. The City Commission reserves the right to require additional commercial general liability insurance necessary to protect the interests of the City.
