MEMORANDUM

Date: May 5, 2025
To: Deadwood City Commission
From: Justin Lux, Parking & Transportation Director
Re: Permission to purchase Main Operating Boards for parking kiosks

The Parking & Transportation Department is requesting permission to purchase four (4) multi-space main operating boards with LCD screens from IPS in an amount not to exceed \$3,846.04. Four of the city's kiosks have received a high amount of sun exposure, making them difficult, if not impossible to read. The screen replacements can be replaced by staff. The kiosks will also be turned to limit sun exposure if the screens are replaced.

Recommended motion

Move to allow staff to purchase four (4) multi-space main operating boards with LCD screens from IPS in an amount not to exceed \$3,846.04.
