Re: Accept Quotes for 52 Taylor Avenue Sidewalk Railing

With the completion of the city retaining wall project at 48 & 52 Taylor Avenue there was an issue with the railing along the sidewalk of 52 Taylor Avenue. After review and discussion with the resident, a design has been approved for the railing. Albertson Engineering has secured four quotes which are attached. Staff is recommending hiring All Metal Manufacturing, Inc. in the amount of \$8,416.34 for the sidewalk railing project at 52 Taylor Avenue.

Quote results are as follows:

- All Metal, \$8,416.34
- Triple S Steel, \$14,500 (tax not included)
- BH Metal Fabricators, \$14,894.55
- Hoskinson Contracting, \$39,277.10

Recommended Motion:

Move to hire All Metal Manufacturing, Inc. in the amount of \$8,416.34 for the sidewalk railing project at 52 Taylor Avenue to be paid out of the retaining wall line item.
