This has to do with the Bird case.  
People that stayed would have parties  
outside & music was very loud.  
at 3:00 - 3:30 AM ~~was~~ called the  
police lot of times cause of the  
loud party. lot of times I was  
when they would be in the HOT  
TUB. I had to be at work by  
5:00 AM. So I would call police  
window's would be closed &  
could still hear the music.

HOPE NO MORE BB HERE,
