DESCRIPTION OF ACTIVITY

Describe in detail, the above activity (use attachments if necessary including type of materials to be used) and submit as applicable. Descriptive materials such as photos and drawings are necessary to illustrate the work and to help the commissioners and staff evaluate the proposed changes. Information should be supplied for each element of the proposed work along with general drawings and/or photographs as appropriate.

Failure to supply adequate documentation could result in delays in processing and denial of the request. Describe in detail below (add pages as necessary).

This is an addition to original project approval to install new siding to building. Wanting to extend existing awning to cover length of building. This will protect utility meters and doors make it easier to install siding
New awning will have a 8/12 pitch rafter, brown shingles and brown metal drip edge.
