Re: Grace Lutheran Church Not for Profit Grant Increase

The Grace Lutheran Church received a Not-for-Profit grant in January to replace the inappropriate storm windows on the original portion of the church in the amount of \$21,974.00. They have a new Pastor who has moved into the parsonage. Plumbing issues were discovered, and emergency repairs had to be made in the amount of \$1,907.24. They are asking if they can add this repair to their current Not-for-Profit Grant for a total of \$23,881.24. Staff is recommending approval.

The Historic Preservation Commission reviewed this request at their May 22, 2024 meeting and recommend approving the increase to the funding for Grace Lutheran Church for emergency repairs to the parsonage in the amount of \$1,907.24, increasing the grant to \$23,881.24.

RECOMMENDATION: Move to approve increasing the funding for Grace Lutheran Church for emergency repairs to the parsonage in the amount of \$1,907.24, increasing the grant to \$23,881.24.
