RE: Whitewood Creek Restoration, Deadwood SD  
Sites 1C, 2A, 2B, 3A, & 3B  
**Cost Proposal #13 – Asphalt Replacement on Mickelson Trail (Phase 1C)**

Dear Jared,

We are pleased to provide you with the following cost proposal for replacing the asphalt pavement surface on the Mickelson Trail between the Phase 1C parking area and the first bridge on the Mickelson Trail. RCS is proposing to remove the existing asphalt and prep the grade at no additional cost. The City of Deadwood would pay for the new 3-inch thick asphalt surface. We believe this is a good opportunity to provide a new asphalt surface in this area of the Mickelson Trail without paying additional mobilization costs or removal costs. Please respond within 1 day to ensure no additional paving mobilizations will be charged.

**Remove & Replace 326 Ft Section of Mickelson Trail = \$17,191.00**

We appreciate the opportunity to provide this proposal and should you have any questions or comments please don't hesitate to contact our office.

Kind Regards,

*Reid Hansen*
