Case No. 260128
Address: 300 McGovern Hill

Staff Report

The applicant has submitted an application for Project Approval for work at 300 McGovern Hill, a Noncontributing structure located in the McGovern Hill Planning Unit in the City of Deadwood.

Applicant: Trinity Conrad
Owner: CONRAD, TRINITY MARIE O
Constructed: 1930

CRITERIA FOR THE ISSUANCE OF A PROJECT APPROVAL

The Historic Preservation Commission shall use the following criteria in granting or denying the Project Approval:

General Factors:

1. Historic significance of the resource:

This is a large building, probably from the 1930s, that has undergone substantial alteration. The building has new exterior siding and some modern windows; in addition, the building's owner stated that it had been heavily reconfigured following a fire. Because of the loss of integrity caused by these changes, this building cannot currently contribute to the Deadwood National Historic Landmark District.

2. Architectural design of the resource and proposed alterations:

The applicant is requesting permission to replace the rotting wood deck and awning with new wood deck.
