## Firm Gas Service Extension Agreement (Rate 120)

- 1) Customer agrees to provide utility easements acceptable to the Company where necessary for the benefit of this project.
- 2) The costs presented herein are estimates only, are subject to be trued-up to actual costs. These estimates do NOT include any unforeseen obstacles or frost charges. Additional costs will be the responsibility of the customer.
- 3) Customers are responsible for locates of customer owned facilities including, but not limited to: sprinkles systems, customer downstream piping, and customer owned electric facilities. Montana-Dakota Utilities Co. will not be responsible for damages to facilities that were not located prior to construction.
- 4) All land in which utilities will be placed must be within six (6) inches of final grade and property pins must be in place.
- 5) All wet utility deep work must be complete and stubbed beyond the utility easement prior to construction.
- 6) Given the existence of the coronavirus pandemic, Company may not complete the Natural Gas extension in the time anticipated herein. To the extent Company is unable to maintain planned crew sizes due to the illness, supply shortages or governmental restraints on business, travel and/or assembly, Company's anticipated time to complete the Natural Gas extension shall be extended accordingly.
