

Case No. 250023  
Address: 15 Madison St.

### **Staff Report**

The applicant has submitted an application for Project Approval for work at 15 Madison St., a contributing structure located in the Ingleside Planning Unit in the City of Deadwood.

Applicant: Billy & Lisa Fritze  
Owner: FRITZE, BILLYO  
Constructed: c 1898

### **CRITERIA FOR THE ISSUANCE OF A PROJECT APPROVAL**

**The Historic Preservation Commission shall use the following criteria in granting or denying the Project Approval:**

#### **General Factors:**

##### **1. Historic significance of the resource:**

This building is a contributing resource in the Deadwood National Historic Landmark District. It is significant for its historic association with the founding and initial period of growth of the town of Deadwood. Spurred by the tremendous mining boom of 1876, Deadwood grew quickly and became the first major urban center of western South Dakota. Deadwood's economic prominence during the late 1800s and early 1900s was reflected by the construction of a number of large residences such as this one. These houses displayed a variety of architectural styles: Queen Anne, Second Empire, Colonial, and even Gothic variants are found locally. Together, these houses are among the strongest reminders of Deadwood's nineteenth-century boom. This house has some modern alterations to the front.

##### **2. Architectural design of the resource and proposed alterations:**

The applicant is requesting permission to repair the front porch by replacing the foot beds and railing with wood. Replace the wood steps on the back porch with a concrete step and install a small awning over the door.
