OVERALL EVENT DESCRIPTION:

ROUTE MAP/ SITE DIAGRAM/ SANITATION

Please provide a **detailed description** of your proposed event. Include details regarding any components of your event such as use of vehicles, animals, rides or any other pertinent information about the event:

Back When They Bucked is producing their 6th Annual PRCA Saddle Bronc Match on May 24, 2026 at the Deadwood Events Cam Plex- we are looking for ways to enhance the event and ticket sales. We have been holding stale at around 2000-2200 ticket sales- we would like to do a mini trail drive with up to 6 head of tame horses that would be loose trailed down Main Street with outriders in front, on the sides and behind them. They would be fully contained by other riders on horseback. Side streets would be blocked by BWB committee members, hired security, Deadwood police(where determined). We would stage them in the bank parking lot in a small pen dropped off by a horsetrailer. Then have a small pen staged at the end of Main Street by Tin Lizzy with a horse trailer to load them up immediately as they come down Main St and take them back to the rodeo grounds. Pens would be picked up immediately

We would come behind the trail drive with our Back When They Bucked pickup with Rodeo Queens in it. We have done this at several PRCA rodeo parades in the past, a couple which were Estes Park, CO and Red Lodge, MT parades. Guests are safe and they really enjoy seeing the live horses trot down the cobbelstone streets. We hope this would enhance our ticket sales, guests would stay another day/night to enhance the Deadwood economic impact as well. Also ask that we have a drone to fly over to get images of this event if it is approved. Site map is attached
