DESCRIPTION OF ACTIVITY

Describe, as specifically as possible, the above activity (use attachments if necessary including type of materials to be used) and submit as applicable. Descriptive materials such as photos and drawings are necessary to illustrate the work and to help the commissioners and staff evaluate the proposed changes. A request for approval of a window replacement, for example, should be accompanied by measurements of the existing window, a picture of the existing window, and a picture or catalogue sheet with manufacturer information for the new window. Similar information should be supplied for each element of the proposed work along with general drawings and/or photographs as appropriate.

Failure to supply adequate documentation could result in delays in processing and denial of the request.

The existing veranda structure improved including new steel within wood columns, new joists for decking, secure existing structural elements
Deck floor and soffit finish will be new. Deck floor will be a tile paver pedestal system and soffit will be redone with painted sheathing designed to look like original.
Veranda posts and guardrails to be removed and replaced with like materials and design. Heights of both will be adjusted according to current code regulations. See attached architectural sketch.
Additional structure will be added to columns below that support veranda. Structure will fit inside existing wood decorative column wraps. Wood column bases have rotted and will need to be removed and replaced. Replacements will be a composite material that will withstand exposure to environmental elements. Design and finish will mimic existing.

SIGNATURES

I HEREBY CERTIFY I understand this application will not be accepted and processed until all the requested information has been supplied. I realize drawings and measurements must be exact and if errors result in a violation of the Commission's approval, then appropriate changes will have to be made. I also understand this application may require a site visit / additional research by staff and a PUBLIC HEARING by the DEADWOOD HISTORIC PRESERVATION COMMISSION.

I understand this application is for a Certificate of Appropriateness or Project Approval only and that a building permit is required for any uses associated with this location prior to any constructions, alterations, etc. All statements are true to the best of my knowledge and belief.

I understand approval is issued for proposed work in keeping with City of Deadwood Ordinances, South Dakota State Administrative Rules and the Secretary of the Interior's Standards for Rehabilitation and copies are available for my review.

APPLICATION DEADLINE

This form and all supporting documentation **MUST** arrive by 5:00 p.m. on the 1st or 3rd Wednesday of every month to be considered at the next Historic Preservation Commission Meeting. The meeting schedule and filing deadlines are on file with the Historic Preservation Office. Any information not provided to staff in advance of the meeting will not be considered by the Commission during their deliberation. Please call if you have any questions and staff will assist you.

Please use the attached criteria checklist as a guide to completing the application. Incomplete applications cannot be reviewed and will be returned to you for more information. All submitted materials will be retained by the Historic Preservation Office. Do not submit your only copy of any piece of documentation.

The City of Deadwood Historic Preservation Office has numerous resources available for your assistance upon request.

Criteria Checklist for Project Approval OR Certificate of Appropriateness

SUBMITTAL CRITERIA CHECKLIST

The documentation listed below will assist in the submission of the application. *Not all information listed below is required for each project. In order to save time and effort, please consult with the Historic Preservation Office prior to completing your application.*

ALL WORK:

- Photograph of house and existing conditions from all relevant sides.

RENOVATIONS AND ADDITIONS:

- Elevation and plan drawings to scale indicating proposed alterations or additions, clearly indicating the existing building and what is proposed and including the relationship to adjacent structures. Make sure to include door and window design if altered. Manufacturer's catalog data may be used, if applicable.
- Exterior material description.
- Site plan showing dimensions of lot and location of existing building(s) or structure(s) on lot, location of additions, dimensions of existing structure and additions. (Show use of addition and location of windows and doors if applicable.)
- Photograph of existing conditions from all elevations.
- Color samples and placement on the structure.
- Historic photographs should accompany any request to return a structure to an earlier historic appearance. (Please note our archives may be of great assistance)

MATERIAL CHANGES:

- Written description of area involved.
- Color photographs or slides of areas involved and surrounding structures if applicable.
- Sample or photo of materials involved.

PAINTING, SIDING:

- Color photographs of all areas involved and surrounding structures if applicable.
- Samples of colors and/or materials to be used.
- Dimensioned elevation and section to scale, showing design of fence, material, and height in relationship to adjacent structures.

NEW CONSTRUCTION:

- Elevation drawings to scale showing all sides and dimensions. Elevation drawings to scale showing relationship to structures immediately adjacent.
- Photograph of proposed site and adjacent buildings on adjoining properties.
- Site plan including building footprint and location of off-street parking showing setbacks. Include number of spaces, surface material, screening and all other information required under Parking Areas.
- Material list including door and window styles, colors and texture samples.
- Scale model indicating significant detail. (This may be required for major construction. Please consult Historic Preservation Commission staff.)
- Color photographs of proposed site and structures within vicinity of new building.
