DESCRIPTION OF ACTIVITY

Describe in detail, the above activity (use attachments if necessary including type of materials to be used) and submit as applicable. Descriptive materials such as photos and drawings are necessary to illustrate the work and to help the commissioners and staff evaluate the proposed changes. Information should be supplied for each element of the proposed work along with general drawings and/or photographs as appropriate.

Failure to supply adequate documentation could result in delays in processing and denial of the request. Describe in detail below (add pages as necessary).

Header above garage roll-up door (2x8) is deteriorating and the paint is peeling, wood is split and
decayed. Contractor is planning to remove 2x8 board, check for any underlying damage and repair and
replace as needed. He will also replace the strips holding edges of rolled roof around roof edges.
