

Case No. 230010
Address: 668 Main Street

Date: January 19, 2023

Staff Report

The applicant has submitted an application for a Certificate of Appropriateness for work at 668 Main Street a contributing structure located in the Deadwood City Planning Unit in the City of Deadwood.

Applicant: Jeff Lamont
Owner: Black Diamond Capital LLC
Constructed: 1880/1938

CRITERIA FOR THE ISSUANCE OF A CERTIFICATE OF APPROPRIATENESS

The Historic District Commission shall use the following criteria in granting or denying the Certificate of Appropriateness:

General Factors:

1. Historic significance of the resource: The Merchant's National Bank was constructed on this site in 1880. The local telephone exchange took an upstairs office in 1882. The bank moved out, and the main floor served as retail space for many years, including Fishel's Bazaar, Arnold Brothers Grocery, Kirk Phillips' Drug Store, and the Modern clothing store. The Hub was one such retail establishment, which occupied the building from 1910 until 1938. In that year, the telephone company expanded its offices and occupied the entire building. The front was also remodeled to its current appearance in 1938.

2. Architectural design of the resource and proposed alterations: The applicant has repaired the rotted roof. During this repair they had to replace the facet board and soffit on the rear of the building as it was rotted and/or falling off. They are requesting permission to install white metal on the replaced wood facet and soffit.
