All products are produced to individual customer specification and unless otherwise stated, require a 50% down payment before manufacturing along with a sign off on this quotation. Balance of materials, freight and packaging and sales tax (if applicable) is due before products ship. This payment method is an effective and efficient system to ensure timely production and scheduling, ultimately providing greater cost savings to the client. MasterCard®, Visa®, American Express® and Discover® are accepted payment methods.

- A 50% down payment of total costs is required to activate an order with an approved credit card, check or money order. Check or money order payment orders will be activated upon receipt. Credit card orders will be immediately activated.
- The remaining 50% of total costs is due before the products will ship from the factory. Upon notification from Client Services, the remaining balance is payable by approved credit card, check or money order.
- If payment in full is received along with order activation, a 2% discount will be applied to material costs only. Credit card purchases, expedited orders and orders requiring payment in full to activate are excluded.
- On the day your products ship, Client Services will contact you with pertinent shipping information.

• **Quote Expiration:** Prices on this quote are valid up to and including the date displayed on the "QUOTE VALID UNTIL" line. After that date, a new quote with current pricing must be acquired from the Keystone Ridge Designs quoting department. Prior to quote expiration, the pricing listed on the quote is not considered locked in until all order activation terms are met, including any necessary sign-offs, payments or deposits. These terms and payments must be met in their entirety before the quote expiration date to place an order. Receipt of a PO does not constitute an agreement. An order only becomes active when the Keystone Ridge Designs terms of the sale are met.
