Adjoining Broadway Alley
Deadwood, SD 57732

RE: *Broadway Alley construction and wall project at the rear of 650 Main Street*

Dear property owner / business owner,

Complete Concrete, along with the sub-contractors, is scheduled to start the Broadway Alley Reconstruction and Wall project at the rear of 650 Main Street in Broadway Alley beginning September 18th, 2023. The project will include utility work, street reconstruction, and retaining wall/foundation work at the rear of Berg Jewelry. The work in this area is anticipated to last no longer than 60 days (weather permitting) from the start date of September 18, 2023. We ask for your patience during this project.

Please notify your refuse supplier, grease collection, and any other vendors accessing the rear of your property in Broadway Alley. Access will entail backing down from Shine Street to access the rear containers. Broadway Alley will be shut down from the rear of the CenturyLink building, located at 644 Main Street to the Bodega, located at 658 Main Street.

If you have any questions or concerns, please feel free to contact the city of Deadwood at 605-578-2082. Thank you again for your understanding and patience during this required construction project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kevin Kuchenbecker', written over a blue horizontal line.
