

City of Deadwood, South Dakota

Neighborhood Traffic Calming Petition — Speed Hump Request

Instructions:

- This petition requests a traffic engineering study to evaluate speed humps on a public street.
- At least 60% of property owners or occupants fronting the proposed segment must sign.
- Print clearly. Incomplete or illegible entries may not be counted.

• Return to: City Engineer, Deadwood Public Works Department (address/email).

Proposed Location

Street Name: Block Length:

From (cross street): To:

Reason for Request

☐ Excessive speeding

☐ Pedestrian safety concern
