Deadwood City Commissioners:

The Lord's Cupboard is requesting the \$2500.00 budgeted for 2022. Your support of this entity makes a difference in the lives of so many families from your community.

We have added Thanksgiving to our distribution budget.

The checks you send from the recycling makes up almost half of the cost of the eggs we purchase each month. Right now the cost is a little over \$50 for a case of 15 dozen

Thank you from the volunteers and clients.

Sincerely

Sharon Narem, Director
