RE: Planning & Zoning Commission Resignation

John,

Please accept this as formal notice of my resignation from the position of commissioner, planning and zoning commission for the City Of Deadwood. Effective 01/01/2023.

My wife & I have recently sold our home at 775 Stage Run Rd and will be moving outside of the City limits, but remaining in Lawrence County. It has been a great learning experience being apart of this Commission and I am glad I got to learn alongside a great group of fellow Commissioners from fantastic staff at the City.

I wish the Commission and the City all the best and extend a helping hand to any effort(s) I can assist with in the future for the Community & Commission.

Sincerely,

A handwritten signature in black ink that reads "Kevin Wagner". The script is cursive and fluid, with the first letters of "Kevin" and "Wagner" being capitalized and prominent.

Kevin Wagner
