# OVERALL EVENT DESCRIPTION: ROUTE MAP / SITE DIAGRAM / SANITATION

Please provide a **detailed description** of your proposed event. Include details regarding any components of your event such as use of vehicles, animals, rides or any other pertinent information about the event:

We would like the race to begin at the Deadwood Arch by the visitor's center in Deadwood, SD at 500pm. We will only have bicycles and a few volunteers with vehicles within the roundabout of the parking area. From the arch, racers will have a police escort onto historic Main Street towards the Mickelson Trailhead parking lot. Riders will take Main St and then turn left onto Pine St. They will turn right onto CanAm Hwy, then right just before First Interstate Bank into the main entrance for the Michelson Trailhead (we want to avoid going onto Water St as participants had flat tires navigating that area and were not allowed to continue the race). Riders will then ride across the parking lot to the trailhead where racing begins. They will also finish on the Mickelson Trailhead west of the Comfort Inn & Suites. There will be volunteers, racers' family and friends, and minimal vehicles at the finish line.
