It will have the remainder of the 5yr 100,000 FCA Powertrain Warranty. Vehicle was invoiced on September 30, 2020, so it will expire September 30, 2025, or when it reaches 100,000 miles.

### **Maintenance of Retired Fleet Vehicles:**

A majority of the Patrol's vehicles are removed from service prior to reaching 49,900 miles, and every vehicle sold is subjected to a stringent maintenance schedule.

### **Warranty Service:**

All warranty services must be completed by an authorized dealer. Do not attempt to have this work completed by local non-dealership repair centers. The new vehicle warranties vary by make model and year. The only excluded items are those considered normal wear items such as hoses, belts, brake pads, spark plugs and tires. For any questions regarding this service, please contact Fleet Operations.

### **Services Performed at Each Fuel Purchase:**

- Use only unleaded fuel
- Check crankcase oil level
- Check windshield washer fluid level and wiper blade condition and operation
- Check for oil and water leaks
- Check for debris around radiator core
