1. The Carrier Cost Recovery (CCR) Fee recovers a portion of the funds SDN Communications pays to the Federal Communications Commission on interstate services to support federal universal service programs, any state assessed fees on intrastate services, and additional costs related to administering and complying with regulatory requirements. It is not a tax or charge that is required or prohibited by law to be collected from customers. The CCR Fee is not necessarily attributable to any particular service, and the fee is subject to change depending upon regulatory compliance costs.
2. Customer certifies that the circuit is used primarily for the traffic identified in the Form. Intrastate circuits are used for intrastate traffic contain less than 10% interstate/ international traffic. Interstate circuits contain 10% or more interstate/international traffic. If for whatever reason the jurisdictional certification on this Form becomes inaccurate, Customer must notify SDN and complete a circuit certification form. SDN may require reasonable supporting documentation of jurisdictional classifications.
3. All services are quoted to the building Minimum Point of Entry ("MPOE"). Customer is responsible for any loop extension ("Demarc Extension").
4. All off-net charges will be passed through to the customer and are subject to verification.
5. The Term of the Service shall commence on the Service Activation Date. Should the Service be ordered and subsequently canceled by the Customer prior to the Service Activation Date, Customer is responsible for paying the costs and fees reasonably incurred by SDN as set forth in the MSA.
6. The above quoted service may not include applicable taxes, special construction, additional equipment, or other fees imposed by regulators.
7. The services quoted may require interconnection with two or more providers including the respective Local Exchange Carriers for local loop facilities.
8. This accepted Order for Services Form (Form), and any exhibit(s) attached hereto, are exhibits to the Master Services Agreement (MSA) between SDN and the Customer. As such this Form, which may be referred to as a Schedule, and its exhibit(s) are incorporated into the MSA and made a part thereof by this reference. Any terms and conditions set forth in this Form take precedence over language in the MSA if there is a conflict.
