MEMORANDUM

Date: July 9th, 2026
To: Deadwood City Commission
From: Jeremy Russell – Recreation & Aquatic Center Manager
Re: Equipment Purchase

The Deadwood Recreation and Aquatic Center are requesting approval to purchase two new pieces of equipment from The Abs Company.

Glute Lift Pro – This is a hip thrust machine that has been high on the want list from our members.

The Froggy - This machine is designed to isolate and strengthen your glutes, hamstrings, and lower back through a natural frog lift motion. It's extremely popular across the US and is currently sold out. We have been on a waiting list for this machine, and we have been notified that it will be available this month.

Both items come with a standard 1-year manufactures warranty along with the following:

Glute Lift Pro - *Frame - 3 years/ All other parts - 1 year /Padding - 90 days*

The Froggy - *Frame - 3 years / Padding - 90 days*

We are requesting approval to purchase these items totaling \$4852.32. This request is a 2026 budgeted item and will be funded through the Deadwood Recreation and Aquatic Center Machinery/Equipment line item.

Thank you for your continued support and consideration of this request.
