This space was darling, comfortable and peaceful! We felt right at home! The kitchen was filled with everything you'd need! A fantastic find. The little cottage is full of special details. A gas fireplace, wood finishes, and modern amenities are some of the fun surprises. The hosts were very friendly and responsive. Lincoln, the dog, was the best bonus of all! The location of the cottage was perfect for walking to town but just enough away from town to be in a peaceful setting. We look forward to returning.

This is a perfect little hidden gem. Close enough to all the Deadwood attractions, and then within walkable distance to a nice quiet private yard and home place. We've stayed here before and highly recommend it!
