PRODUCT DETAILS

Our Mocha office furniture series is one of the best values in office furniture today. It delivers function and style combined with a surprising level of affordability and durability. The Mocha series makes a great choice for the busy office wanting an upscale successful appearance but at a Modern Office Special Offer price. **Four piece package as pictured sold above. See matching items sold below. IN STOCK!**

The deep, Mocha laminate color is our most popular finish amongst office designers and decorators. The rich coloring is smartly contrasted by metallic silver cable grommets and elliptical silver drawer pulls. Fluted top edge detailing expresses a look of success throughout the series. Silver frame frosted glass hutch doors also make a sharp contrast for a current, modern feel.

The construction of our Mocha laminate line of furniture is certainly a nice step up from industry standards. It begins with a quality scratch resistant laminate that resists rough wear and wipes clean with just a damp cloth. All tops are a substantial 1-1/2" thick board with a tough 3
