**DESCRIPTION OF ACTIVITY**

Describe in detail, the above activity (use attachments if necessary including type of materials to be used) and submit as applicable. Descriptive materials such as photos and drawings are necessary to illustrate the work and to help the commissioners and staff evaluate the proposed changes. Information should be supplied for each element of the proposed work along with general drawings and/or photographs as appropriate.

Failure to supply adequate documentation could result in delays in processing and denial of the request. Describe in detail below (add pages as necessary).

We would like to remove this house  
at 95 Stewart St. The house has a  
large amount of water damage... due  
to a water pipe breaking. It will  
cost more for repairs, then to remove.

# Criteria Checklist for Project Approval OR Certificate of Appropriateness

## SUBMITTAL CRITERIA CHECKLIST

The documentation listed below will assist in the submission of the application. *Not all information listed below is required for each project. In order to save time and effort, please consult with the Historic Preservation Office prior to completing your application.*

### ALL WORK:

- Photograph of house and existing conditions from all relevant sides.

### RENOVATIONS AND ADDITIONS:

- Elevation and plan drawings to scale indicating proposed alterations or additions, clearly indicating the existing building and what is proposed and including the relationship to adjacent structures. Make sure to include door and window design if altered. Manufacturer's catalog data may be used, if applicable.
- Exterior material description.
- Site plan showing dimensions of lot and location of existing building(s) or structure(s) on lot, location of additions, dimensions of existing structure and additions. (Show use of addition and location of windows and doors if applicable.)
- Photograph of existing conditions from all elevations.
- Color samples and placement on the structure.
- Historic photographs should accompany any request to return a structure to an earlier historic appearance. (Please note our archives may be of great assistance)

### MATERIAL CHANGES:

- Written description of area involved.
- Color photographs or slides of areas involved and surrounding structures if applicable.
- Sample or photo of materials involved.

### PAINTING, SIDING:

- Color photographs of all areas involved and surrounding structures if applicable.
- Samples of colors and/or materials to be used.
- Dimensioned elevation and section to scale, showing design of fence, material, and height in relationship to adjacent structures.

### NEW CONSTRUCTION:

- Elevation drawings to scale showing all sides and dimensions. Elevation drawings to scale showing relationship to structures immediately adjacent.
- Photograph of proposed site and adjacent buildings on adjoining properties.
- Site plan including building footprint and location of off-street parking showing setbacks. Include number of spaces, surface material, screening and all other information required under Parking Areas.
- Material list including door and window styles, colors and texture samples.
- Scale model indicating significant detail. (This may be required for major construction. Please consult Historic Preservation Commission staff.)
- Color photographs of proposed site and structures within vicinity of new building.
