**Re:** Miller Street Parking Lot Mill and Overlay

---

With the help of the Street's Department, we received quotes for the mill and overlay of the Miller Street Parking Lot. This parking lot was identified in the Capital Improvement Plan for this improvement in 2026. This was also a budgeted item.

The lowest quote received was from Johner Paving for \$91,894.00. Scheduling for the project will be completed if approved.

Staff have reviewed options and recommend approval.

Thank you for your consideration regarding this matter.
