**DESCRIPTION OF ACTIVITY**

Describe in detail, the above activity (use attachments if necessary including type of materials to be used) and submit as applicable. Descriptive materials such as photos and drawings are necessary to illustrate the work and to help the commissioners and staff evaluate the proposed changes. Information should be supplied for each element of the proposed work along with general drawings and/or photographs as appropriate.

Failure to supply adequate documentation could result in delays in processing and denial of the request. Describe in detail below (add pages as necessary).

Remove existing recessed entryway and replacing with custom fabricated steel window to match

the existing historical steel window (non-operable). A new brick wall will be constructed

below to match existing brick color and pattern to extent reasonably possible.

Replace single pane glass in the existing steel window with double pane insulated glass.
