

SHELL ROTELLA 2024 SUPERRIGS CALENDAR
Deadwood Photo Shoot Details
May 15, 2023

PHOTO 1: HISTORIC MAIN STREET DEADWOOD ENTRANCE SIGN
Sunday, June 11, 6:15-7:30 am

Location Address: Near 484 Lower Main Street, Deadwood, SD

Class 8 semi-truck approaching from the north will take Pioneer Way to Pine Street, turn right, then right again on Main Street, and come north on Main Street to the location in order to be facing north for the shot. We will park with the front end under the sign. We have been told there is 17 feet of clearance under the sign, which is plenty of space for a truck and trailer. We will begin placing the truck at 6:15 am and be through with the shot by 7:30 am. If the truck arrives early, it will wait in the Welcome Center parking lot until we are ready to move it into place.

We have asked for Lower Main Street to be blocked to traffic for the duration of the shot, as well as the turn area into Main Street past the Welcome To Main Street sign, and for the spaces closest to the road in the parking lot to the right to be blocked. Pioneer Way does not need to be blocked.

PHOTO 2: SALOON NO. 10

Sunday, June 11, 7:30-9:15 am

Location Address: 557 Main Street, Deadwood, SD

Class 8 semi-truck approaching from the north will take Lower Main Street to Main Street and come south to the location in order to be facing correctly for the shot. We will park in the northbound lane in front of the saloon. We will begin placing the truck at 7:30 am and be through with the shot by 9:15 am. If the truck arrives early, it will wait in the Welcome Center parking lot until we are ready to move it into place. We will also be placing a table and chairs from the saloon in the street in front of the truck and re-enactors from Deadwood Alive will be playing cards during the shoot.

We have asked for Main Street to be blocked to traffic for the duration of the shot between Lee and Gold streets. We have also asked for parking spaces to be blocked in front of the saloon and a few businesses near it. The Chamber of Commerce has provided us with the names of 41 businesses we are contacting regarding the shot.
