Re: Broadway Parking Ramp Sign Package

Earlier this year we received a design package for the signage in the Broadway Parking Ramp to improve compliance with payment and the users' experience in the ramp. I have received several quotes from sign manufacturers for this project. The only vendor that could meet the material and time requirements was Elite Signs, LLC. I the quote was broken into four parts for each floor of the parking ramp. One for \$8,753.68, \$8,403.84, \$8,263.38, and \$4,300.96. The total is \$29,721.86, which is consistent with what the other vendors provided.

Thank you for your consideration to this matter.
