MEMORANDUM

Date: July 13, 2023
To: Deadwood City Commission
From: Kevin Kuchenbecker, Planning, Zoning and Historic Preservation Officer
Re: Permission to enter into a contract with State Archaeological Research Center for FEMA Project

As part of the Whitewood Creek FEMA Project archaeological investigation needs to be completed in the area of the former Burlington Northern Roundhouse. As part of the pre-construction, exploratory trenching will be performed to examine this area by city staff with oversight and direction from the State Archaeological Research Center.

The Historic Preservation Office has received a quote from the Archaeological Research Center with the South Dakota State Historical Society to oversee and conduct the archaeological work associated with the exploratory trenching. The proposed cost estimate is \$14,548.44 which will be a part of the FEMA project.

The Historic Preservation Commission reviewed this at their July 12, 2023 meeting and recommend entering into a contract with the State Archaeological Research Center in the amount of \$14,548.44 to be paid as part of the FEMA Project.

Recommended Motion:

Move to enter into a contract with the State Archaeological Research Center to conduct the archaeological work with the exploratory trenching of the former Burlington Northern Roundhouse in the amount of \$14,548.44 to be paid as part of the FEMA Project.
