

**CITY OF DEADWOOD  
PARKING AND TRANSPORTATION COMMITTEE**

July 11, 2024

**1. ROLL CALL:**

The City of Deadwood Parking and Transportation Committee met Thursday, July 11, 2024, in the Century Room in City Hall. Justin Lux called the meeting to order at 9:00 a.m. Present were Justin Lux, Cory Shafer, Dory Hanson, Kevin Kuchenbecker, Trent Mohr, Tom Riley, Lornie Stalder and Misty Trehella. Commissioner Mike Johnson was present.

Absent were Jim Lee, John Rystrom and Andy Goodwin.

**2. APPROVAL OF MINUTES:** not available

**3. INFORMATIONAL ITEMS ON AGENDA**

- a. **WWC FEMA Update:** Mr. Lux indicated the project is still moving along. The only snag is that they ran into a Century Link line up on Ryan Road; they won't abandon this line and they are 30 days out from rerouting it.
- b. **WWC Boardwalk:** Mr. Lux indicated it will be closed to vehicular traffic during the Days. The City should contact the Days committee to let them know this will be closed to horses, as well.
- c. **Slag Pile:** There is a big sign coming (4x8) advertising overflow and trailer parking.
- d. **Lower Main Street Closures During Special Events:** Mr. Lux and Chief Shafer went to a meeting where the Badlands section of Main Street indicated they wanted to do a bump out for vendors on the west side of Main Street (Wild Bill Bar side). It will be limited to about 20' of the roadway. Traffic will be north bound only (one way). This will be when the full Main Street closure is going on. Jersey barriers were part of the discussion.

**4. NOTICE TO CONTEST PARKING TICKETS: None**

**5. NEW BUSINESS:**

- a. **Designated Spots for the Welcome Center:** Mr. Lux indicated this came up in the event committee meeting. They would like 10 spaces for staff parking labeled Welcome Center and one or two 20-minute parking spaces. Mr. Kuchenbecker indicated that when that parking lot was designed the far end was intended for chamber employee parking so that the closer spots would be maintained for visitors. Discussion. Motion to install 1 or 2 temporary stanchions for two 20-minute parking stalls for guests of the Welcome Center made by Mr. Stalder, second by Mr. Kuchenbecker; motion carried.

**b. July 20 Motorcycle Ride: Approximately 30 vehicles in front of the Wild Bill Bar:**  
Request is to park in front of the Wild Bill Bar from noon for about an hour. This is a Saturday and there isn't anything else on the event calendar. The Stagecoach may be the only issue. They would need to monitor the area and the City wouldn't have to do anything. Discussion. Could this be moved to 2:00 as the stagecoach is done at 2:00? Motion to recommend approval on the condition that they are responsible for policing it and that there be a possibility of changing the time to avoid conflict with the stagecoach by Mr. Mohr, second by Chief Shafer; motion carried.

**6. OLD BUSINESS: None**

**7. INFORMATIONAL ITEMS NOT ON AGENDA:**

Commissioner Johnson indicated he had been working with BluePeak for repairs to his service at his home. They found the issue and they will need to replace lines. BluePeak indicated there would be no service overnight (maybe several nights) in the neighborhood while repairs are made and that may affect the police department as well. Commissioner Johnson wanted the committee and the police department to be aware.

**8. ADJOURNMENT:**

With no further business for the committee to consider, Mr. Stalder moved to adjourn, second by Mr. Riley; motion carried. Next meeting is July 25, 2024, at 9:00 am.

Respectfully Submitted,

Rhonda McGrath, Recording Secretary
