Subject Detail:

Be as specific as possible, with as much detail as possible. Include any documents, maps, etc.

The DOTOW Rodeo Committee would like to ask for support from Delta City for the PRCA rodeo and associated events scheduled for June 15-17, 2023. These events bring a great number of contestants and fans to the community who contribute to the local economy while here. Each year the cost of the contracts required to put on a crowd pleasing show continues to increase. We have received and continue to receive great financial support from Millard County, Millard County Tourism Board, and the local businesses but have never asked for any support from Delta City. We have several Partner/Sponsor packages available, but any financial support above and beyond these would be greatly appreciated.

Action Requested: Financial support
