II. BASIC FINDINGS

PROPOSAL

This is a legislative plan and text amendment to replace the 2030 Deschutes County Comprehensive Plan with the Deschutes 2040 Comprehensive Plan. The proposal does not seek to replace the Tumalo Community Plan, Terrebonne Community Plan, Newberry Country Plan, nor the Transportation System Plan. This proposal does not include any amendments to the County’s Goal 5 Inventory. The proposal does not include any Comprehensive Plan or Zoning Map amendments.

BACKGROUND

The Board of County Commissioners initiated the process to update the County’s Comprehensive Plan in November 2021. Staff worked extensively with the project consultant MIG, on creating the project scope and budget for this process. Over the last 18 months, staff has conducted widespread community engagement and analysis of existing conditions and projected trends. This in turn, has

informed updates to chapter narrative, goal, and policy language to provide an up-to-date approach to managing growth and development in rural Deschutes County.

REVIEW CRITERIA

Deschutes County lacks specific criteria in DCC Titles 18, 22, or 23 for reviewing a legislative plan and text amendment. Nonetheless, since Deschutes County is initiating one, the County bears the responsibility for justifying that the amendments are consistent with Statewide Planning Goals and the County's Comprehensive Plan.

OAR 660-015, Statewide Planning Goals and Guidelines

Goal 1: Citizen Involvement:

FINDING: The development of the Deschutes County 2040 Comprehensive Plan document was a multi-year process with significant public outreach and community member involvement.

The following is a short summary of engagement leading up to the initial public hearing:

- Established a project email list with over 500 contacts.
- Provided 7 project update emails.

- Established a new, user-friendly website.
- Received over 29,000 social media impressions.
- Coordinated with media on 13 news stories.
- Held 66 small group meetings with over 400 participants.
- Held 8 open houses with 296 attendees.
- Held an online open house with 361 survey responses.
- Hosted a virtual and interactive forum with over 100 responses.
- Held 11 planning commission meetings.
- Provided incentives through a raffle, prizes, and food and beverages.

Community member input was essential to the development of the resulting Deschutes County 2040 document and staff utilized several novel and innovative techniques to reach rural residents. Chapter 1 of the plan, Community Engagement, outlines numerous policies that reduce barriers to and support community involvement throughout planning processes.

Key Policy Changes

Comprehensive Plan - 2030: Chapter 1, Section 1.2

Deschutes County 2040 Plan: Chapter 1 - Community Engagement

Amendments: Citizen involvement (now Community Engagement) was completely rewritten.

The section listed above and this Plan as a whole, complies with Goal 1, Citizen Involvement, as described:

- The adoption process for these amendments included public hearings before the Planning Commission (Committee for Citizen Involvement) and before the Board of County Commissioners.
- The updated goal and policies were created through an extensive two-year public/Planning Commission process that generated considerable public input which was incorporated throughout this Plan.
- The new policies recognize the Planning Commission as the required Committee for Community Involvement.
- This section complies with the following six components of Statewide Goal 1:
 - Policies 1.1.1-1.1.8 promote opportunities to involve community members at all stages of planning processes by providing adequate opportunities for input, promoting two-way communication, and continuously improving on outreach activities.
 - Policies 1.2.1-1.2.6 support the activities and funding of the Committee for Community Involvement.
 - Policies 1.1.2 and 1.1.4 ensure technical information is available in an understandable form

Consistency with Goal 1 is thereby met.

Goal 2: Land Use Planning:

FINDING: The purpose of the chapter is to ensure the Comprehensive Plan was built with a factual base and will be followed when making future land use decisions. In updating this plan document, information was gained from numerous studies, technical documents, and subject matter experts. ORS 197.610 prescribes the process for local governments to initiate post-acknowledgement plan

amendments. 45-day notice was provided to the Oregon Department of Land Conservation (DLCD) and Development on August 30, 2023 – no comments have been received from DLCD.

The draft Plan contains detailed, factual background information in each chapter narrative to provide context for the goals and policies. The Deschutes County 2040 plan update does propose any changes to Comprehensive Plan designations or zoning designations, nor the County's Goal 5 inventories or community plans as part of this update.
