## AWARD INFORMATION

**Incorporation:** In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federal-regulations-policies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number **CDC-RFA-CE20-2003**, entitled **Drug-Free Communities (DFC) Support Program**, and application dated **March 7, 2024**, as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NOA).

**Total Approved Funding is included in Summary Federal Award Financial Information on page 1 of the NOA.** All future year funding will be based on satisfactory programmatic progress and the availability of funds.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

**Financial Assistance Mechanism:** Grant

**Key Personnel:** In addition to the Principal Investigator/Project Director identified in this Notice of Award, the application and work plan included individuals considered key personnel. In accordance 45 CFR Part 75.308, the recipient must request prior approval from CDC to change the following individual/position:

***Crystal Sully – Principal Investigator/Program Director and Project Coordinator***  
***Cheryl Smallman –Authorized Organization Representative***

**Expanded Authority:** The recipient is permitted the following expanded authority in the administration of the award.

- Carryover of unobligated balances from one budget period to a subsequent budget period. Unobligated funds may be used for purposes within the scope of the project as originally approved. Recipients will report use, or intended use, of carried over unobligated funds in Section 12 “Remarks” of the annual Federal Financial Report. If the GMO determines that some or all of the unobligated funds are not necessary to complete the project, the GMO may restrict the recipient’s authority to automatically carry over unobligated balances in the future, use the balance to reduce or offset CDC funding for a subsequent budget period, or use a combination of these actions.

## FUNDING RESTRICTIONS AND LIMITATIONS

**Unallowable Cost:** The following item of cost has been added to the DFC Funding Restrictions. All other terms and conditions issued with the original award remain in effect throughout the budget period unless otherwise changed, in writing, by the Grants Management Officer.

- **Vaping Detection Devices:** DFC funds may not be used for Vaping Detection Devices.

**Indirect Costs:** The recipient's indirect costs are approved and based on a de minimis rate of ten (10) percent of modified total direct costs (MTDC) as defined in 45 CFR Part 75.2, effective September 30, 2024.

**Matching Funds Requirement:** The required level of non-federal participation for the Drug Free Communities Grant Program is listed below:

Grant Year	Matching Requirement
1-6	100%
7-8	125%
9-10	150%

Matching is generally calculated on the basis of the federal award amount and is comprised of recipient contributions proposed to support anticipated costs of the project during a specific budget period (confirmation of the existence of funding is supplied by the recipient via their Federal Financial Report). The recipient must be able to account separately for stewardship of the federal funding and for any required matching; it is subject to monitoring, oversight, and audit. The recipient may not use matching expenditures to count toward any Maintaining State Funding requirement.

When a recipient requests a carryover of unobligated funds from prior year(s), matching funds equal to the new requirement must be on record in the CDC grant file, or the recipient must provide evidence with the carryover request.

## REPORTING REQUIREMENTS

### DFC Progress Report:

In addition to the CDC Annual Performance/Progress Report (APR) which also serves as the non-competing continuation application, all DFC Recipients are required to submit a DFC Progress Report in August of the current calendar year (e.g. August 2024). The CDC program office will be in communication about the exact date. The report must be submitted through the DFC Me system (<https://dfcme.ondcp.eop.gov/>). For more information on the DFC Me system, please contact the DFC National Evaluation Team at [dfc\\_evaluators@icf.com](mailto:dfc_evaluators@icf.com).

### Core Measures Data

DFC recipients are required to provide core measures data every two years, via the DFC Me system, on the following core measures for alcohol, tobacco, marijuana, and (illicit) use of prescription drugs for three grades (6th-12th) with a recommended combination of at least one middle school grade and at least one high school grade:

1. Past 30-day use
2. Perception of risk or harm
3. Perception of parental disapproval of use
4. Perception of peer disapproval of use

### **Year 6 Recipients**

Year 6 recipients who received continuous funding between Years 5 and 6 will remain on the core measure reporting schedule established in the first five years of DFC funding.

Year 6 recipients who have not had sequential years of DFC funding will need to speak with the DFC National Evaluation Team to determine when to report core measures. Please contact the DFC National Evaluation Team at [dfc\\_evaluators@icf.com](mailto:dfc_evaluators@icf.com) for more information.

## **PROGRAM OR FUNDING GENERAL REQUIREMENTS**

**Key Personnel Requirements:** The following are updates to the DFC Key Personnel Requirements. All other terms and conditions issued with the original award remain in effect throughout the budget period unless otherwise changed, in writing, by the Grants Management Officer.

### **Program Director or Principal Investigator (PD/PI)**
