I. BACKGROUND

The Planning Division regularly amends Deschutes County Code (DCC) and the Comprehensive Plan to correct minor errors identified by staff, other County departments, and the public. This process, commonly referred to as Housekeeping, also incorporates updates from rulemaking at the state level through amendments to Oregon Revised Statutes (ORS) and Oregon Administrative Rules (OAR), and allows for less substantive code changes to continue efficient County operations.

The last time Deschutes County adopted housekeeping amendments occurred in March 2023².
